“To those now in its fold, Alcoholics Anonymous has made the difference between misery and sobriety, and often the difference between life and death. A.A. can, of course, mean just as much to uncounted alcoholics not yet reached.

“Therefore, no society of men and women ever had a more urgent need for continuous effectiveness and permanent unity. We alcoholics see that we must work together and hang together, else most of us will finally die alone.”

Alcoholics Anonymous, Appendix I, The AA Tradition
